**PUBLIC NOTICE**

All residents of the Borough of Leechburg are advised that no person is permitted to discharge or cause to be discharged any spring water, storm water, surface water, ground water, roof run-off, subsurface drainage, building foundation drainage, drainage from roof leader connections or French drains into the public sewage system.

All residents are advised that they must remove all storm water connectors from the sanitary sewer and connect to the storm sewer system. In order to insure that Leechburg Borough is in compliance with directives to eliminate storm water from the sanitary system, Borough Council will be undertaking a dye testing protocol that will include all properties. The protocol will begin upon completion of the current sewage project and should a property fail the dye test by not removing the storm water, the property owners will be subject to a fine not to exceed \$600.00.
